

Town of Nags Head Residential Sanitation Collection Schedule

Effective February 2, 2016

The Town of Nags Head's sanitation collection system uses 96-gallon carts and serves all residential family dwellings. Residences currently served by dumpsters will be handled on an individual basis.

Collections begin at 3 a.m. in the summer and 5 a.m. in the winter. Please see the map below for your collection day.

- Please roll out carts the day prior to your pick-up date.
- Carts should be placed facing the street.
- Please remove carts by midnight on the day of collection.
- When not in use, please secure carts at least ten feet behind the right-of-way.

Trash/Recycle Cart Placement for Collection
